

## VOLUNTEER SPOTLIGHT

### A Dedicated Chamber Volunteer

The Chamber is fortunate to have many members who dedicate their time and energy

in support of our efforts. But Trish Doll, Owner of Publicity Works, was an active volunteer even before she joined the Chamber in 1991. Now THAT's dedication!

"Trish Doll is what I refer to as a 'volunteer extraordinaire,'" says Chamber Senior VP Karen Marsdale, "One who gives her time, talent and passion!" For example, she has served the Chamber on its Board of Directors, as Past Chair of the Marketing Advisory Committee, and shared her 25 years of public relations experience with our members by leading numerous seminars and workshops.

Trish was also the recipient of the 1996 Athena International Award, which is given annually to an outstanding woman in the Berks business community, and has been actively involved in supporting the award and its recipients in the years ever since! She has also been honored as one of "PA Best 50 Women in Business" and the "SBA Women's Business Advocate."

Congratulations and many thanks to one of the Chamber's most dedicated and effective members!
